## THE BOOK OF OBEAH SELECTED AS 2014 AUDIE AWARD FINALIST

~ Suspense/Thriller Category ~

By Sandra Carrington-Smith. Read by Dave Fennoy, with music by Ori Vidislavski.

Upon the passing of her beloved grandmother, Melody Bennet receives startling instructions that she is to take the ashes of Grandmama Giselle to southern Louisiana. Melody must step far outside her comfort zone in the suburbs of North Carolina to fulfill this dying wish. She finds herself blindly navigating the exotic, sometimes hostile environs of New Orleans and Bear Bayou, and immersed in a subculture based on an ancient West African religion. At this unexpected crossroad, she discovers new cultures and beliefs—and new dangers—and awakens to a new way of seeing the world and her role in it. Melody learns that a different perspective can indeed change your perception of reality.

**Sandra Carrington-Smith** is an Italian-born author who relocated to the United States in the late 80's after marrying a US soldier who was serving overseas. Although writing was Sandra's deepest passion since childhood, her dream of becoming a published author had to be placed on hold for several years. Moving to a new country provided several challenges, the biggest one being the language barrier she encountered when she first arrived. In order to become fully integrated, Sandra tapped into her love for reading, and over time her vocabulary grew extensively. She gave birth to three children and devoted most of her time to raising a family. Entering her late thirty's, Sandra decided to revisit her old passion for writing and penned this remarkable novel of paranormal suspense—*The Book of Obeah*. The sequel, *The Rosaries*, is planned for audio release in the early spring of 2014.

**Dave Fennoy** is one of the most sought after voice artists in the industry, with clients such as ABC, CBS, and Showtime. To over thirty million Hulu viewers he is known as The Hulu Guy, the omnipresent voice of HULU.COM. Gamers enjoy his work on *STARCRAFT II*, *Laura Croft Tomb Raider*, and he has won awards for his portrayal of Lee Everett in 2013's Game of the Year: *The Walking Dead*. Dave has narrated programs for National Geographic, Discovery Channel and the Science Channel. His film voices include *Ghost Rider*, *Happy Feet*, and *King's Ransom*. Dave has been the voice for Late Night with Gregg Kinnear, The Billboard Music Awards, and The NAACP Image Awards among others. Due to the demand for Dave's voice in the commercial promo market, he has steered away from book length audiobook projects—until now. *The Book of Obeah* could be read by no one else.
